PRAYER GUIDE

"If you need wisdom,
ask our generous God,
and He will give it to you."

- James 1:5

PRAYER GUIDE

As you consider spending time with God in prayer during this campaign, there are many things that can compete for your time. There are the gotta-dos, the getta-dos, and probably some do-I-really-have-to-dos. All of these can cause us to think we don't have time to spend in God's presence through prayer.

So, I want you to consider the words of Hudson Taylor – a missionary to China – known for his passionate prayer life, who said: “When we work, we work; When we pray, God works.”

You see, alone, we each have limited resources, time and ability. Yet, God has an infinite amount of all of these. At times, we can get caught up depending on our own understanding and ability – wondering how it's all going to come together – rather than seeking God's wisdom and power. However, God's promises are big and amazing, and he promises to work in and through us to display his miracles, if we only ask.

The goal for this campaign and the vision of Hope Grimes are both only capable of being fulfilled with God's help. Let's spend the days of this campaign immersed in this prayer guide, asking the Creator, our Heavenly Father, to provide for us financially, relationally, spiritually, and in every other way we need.

“Jesus looked at them intently and said, ‘Humanly speaking, it is impossible. But with God everything is possible.’” Matthew 19:26
